### UNION TEMPERANCE MEETING WELL ATTENDED

Large Crowd Turns Out To Hear Rev. Sam Bettis. Rum Traffic Scored.

On Sunday evening a large number of our citizens gathered at the Christian Church in a temperance rally, and listened to a masterly address by Rev. Sam Bettis. Mr. Bettis who is known as the Cowboy Preacher, delivered one of his characteristic sermons, full of logic, wit and good humor. He held his audience in wrapt attention from the beginning to the end of his discourse, during which time he dealt the whiskey business some pretty hard blows.

At the close of the meeting Rev. Weber of the M. E. Church stepped forward and suggested that a union of the churches secure the services of Mr. Bettis for a series of revival meetings, and the proposition gained favor at once with the result that committees were appointed to start the work, and everything is now under way for a big revival.

The skating rink has been secured and the services will be held therein. T. E. Isaacs, a singer of Forest Grove with piano accompanist have also been engaged to begin and last for at least three weeks.—Tillamook, Ore, Herald.

### Class Banquet.

The banquet given the winning class in the recent contest of the Presbyterian Sunday school, was held on Wednesday evening in the Woodman Hall, Mr. Beavis' class having the honor of being served to a good square meal by Mrs. Denison's class and the Senior Bible class.

About fifty covers were laid and tables presented a pleasing appearance. After the feast several toasts were announced by toastmaster Beavis, in his usual happy manner and responded to by Maurice Merrill, Gladys Wallace, Alice Doering and Oscar Denison. Donna McLaughlin gave a reading and victrola music enlivened the occasion.

### Health a Factor in Success.

The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular. He is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by Grant Holden.
